

343 Ministries Inc. is pleased to announce the establishment of **The Angie and William Hoyt Family Fund for Cultivating Little Hearts**.

This fund—named in memory of Angie Hoyt and in honor of William Hoyt —provides funding for creating inspiring environments to cultivate and share the love, kindness, and joy of Christ with babies, preschoolers, elementary children and their parents. Whether through camps, classes, events or holiday gatherings, the children who are the 343 Ministries “Little Hearts” community will be given the opportunity to thrive in a loving, Christ-centered culture based on creatively expressing themselves primarily through music, art, and imaginative fun.

Angie and William have always shared with us their simple wish of helping children to experience the love of Jesus. This fund will specifically go toward achieving and sustaining that dream through the work of 343 Ministries and its continued focus on inspiring and encouraging the hearts of children.

The scope of the Hoyt Family Fund includes scholarships for children who attend any camps, classes, events, or gatherings, music and art materials and supplies, sensory areas for expressive music and art, hiring additional class and camp helpers, improvements to meeting spaces, and maintenance of outdoor camp and class areas.
